

2023-24 Schulze Early Learning Scholarship

CSCOE-Schulze Early Learning Scholarship

Overview

The Catholic Schools Center of Excellence (CSCOE), in partnership with the Richard M. Schulze Family Foundation, presents the Schulze Early Learning Scholarship program. This program is designed to help middle-income families gain access for their children to excellent Catholic preschool programs. CSCOE and the Schulze Family Foundation firmly believe in and support the strength of the academic experience, the caring community, and the spiritual development that is provided by Catholic elementary schools. Scholarships range from \$500 to \$3000 depending on tuition, income, household size, and need. Applicants must be preschool children who will be attending preschool in the year prior to starting kindergarten.
